TO: MICHAEL HARRIS, President, EAA Chapter 402

Dear Michael,

I read with interest Chapter 402's December newsletter. I would like to take this opportunity to wish all of you and the Chapter members the very best for Christmas and a good year for the Chapter in 2008. Also, I found an interesting piece of news about Andrew Snedden regarding his discovery of a missing person floating in a pond. Guess airplanes and ultralights are good for something.

Our best to you this holiday season.

Sincerely,
Paul H. Poberezny
