Minutes—June 16, 2009 EAA 402 Meeting

The meeting was called to order at 7:00 pm by President Michael Harris after the pot-luck dinner. There were sixteen members and two visitors present. The visitors were Rob Arnold and Bob Anundo.

The meeting was opened with the Pledge of Allegiance to the Flag.

Michael welcomed the members and visitor.

Secretary's Report: The May meeting minutes were accepted as published in the June newsletter. Motion to accept was made by Rollie Bailey, seconded by Carl Oblinger, and passed by the members.

Treasurer's Report: Treasurer Dan Robins was not in attendance. Michael made a partial report:

Bank Balance \$779.86; Utility Reserve \$200.55; Young Eagles Reserve \$321.10.

Newsletter/Web Editor: Wendy Hollinger reports that the web site is up and running and she asks that we let her know if we have any difficulties navigating it.

Membership Coordinator: Dale Ratcliff said he has been talking to a lot of people and asked the secretary for membership application forms. (There is a supply in the EAA display case in the FBO building.)

Airport Board: Our representative Bill Corban reported the buildings on the Koch property will be razed soon. Bill also reported the rebuilding of the runway will not be done for several years.

Old Business:

Report of Young Eagles Rally June 13th

- Pilots and Young Eagles flown: Rollie Bailey 23, William Corban 23, Michael Harris 21, Dale Ratcliff 20, Jesse Ours 19, Christopher Russell 6, Ralph Brandon 5, Ed Newbold 5, William Coleman 2, **Total 124**
- Michael, as Young Eagles coordinator, complimented the registration and photo folks and the CAP. Bernie, assistant YE coordinator, listed the names of the ground volunteers: Tom and Hanne McFadden, Karen Hartman, Larry Arnold, Carl Oblinger, Wendy Hollinger, Charlie Rhoads, Charlie Moore, Thom and Tammy Elliot, Brandon Jacks, Katelin Alexander, Bernie Volpe, Kenny Rauch, Roger Digel-Barrett, George Fackler and Harold Ware.

New Business:

Andrew Snedden reported that he talked with the Heath mayor during the YE event on June 13th. The mayor was impressed with the goings on but mentioned, almost in passing, that he has had complaints from time to time about excessive noise from airport operations and he seemed to be pointing out noise from the gyroplane activity. Andrew said he was hoping to see Ed at the meeting to tell him about it. Andrew also said the mayor asked about another "air show" at Heath's Independence Day fireworks, referring to the ultralight and gyroplane flights at last year's fireworks.

Chapter Mail

It was suggested that we establish a permanent mailing address for the chapter instead of changing the address each year when officers are elected. Suggestions made were: 1) Install a mailbox at the clubhouse (this would have to be a rural-style box at the road.); 2) Rent a post office box; 3) Ask the FBO to accept our mail. Some discussion ensued and several members volunteered to check out the various options. The subject was tabled until next meeting.

T-Shirts

A number of the new Annual Fly-In T-shirts were sold at the Young Eagles rally on June 13th. There was discussion about whether or not to replenish our supply and perhaps get more small and medium sizes because those sizes were in demand and we didn't have many. Larry Arnold motioned that we buy additional T-shirts. The motion was seconded by Rollie Bailey. To be purchased: 1 doz. Pink, small; 1 doz. Gray, small; 1 doz. Pink, medium; 1 doz. Gray, medium. The motion carried. Michael will make the contact to purchase the shirts.

Hot Dogs

Bill Corban suggested we make it clear at the Young Eagles rallies, with a sign, that the hot dogs are free for the kids. Donations will be accepted but are not mandatory.

Net Jets Tour

Michael reported that there were a few signups taken at the YE rally for the NetJets tours. Tom apologized for not being able to promote the tours because of the need to stay focused on the business of registration.

Michael stated that the CAP is going to take full advantage of the offered tours.

Motts Museum

Bill Corban briefed the group on Motts Military Museum over in Oetz, near Rickenbacker. The group showed interest and Bill suggested we visit the museum as a group, either on a meeting night or weekend.

Maintenance Items

Tom McFadden mentioned several maintenance items that need to be done around the clubhouse.

- The patio chairs need to be cleaned before the fly-in.
- The patio needs to be sealed.
- The picnic table should be stained or painted.
- The street-side grass needs to be mowed periodically and the flower beds should be weeded.

Wendy Holinger volunteered to wash the chairs.

Jesse Ours volunteered to see if he can get us a break on sealant for the patio.
