Minutes of April 2016 EAA 402 Meeting

The meeting was called to order at 1900 by President Berne Volpe at the chapter clubhouse and the meeting was opened with the Pledge of Allegiance to the Flag. There were twenty four members and one visitor, Zack Blackburn, present.

Secretary's Report: The secretary asked for additions or corrections and approval of the March meeting minutes as printed in the April newsletter. A motion to accept the minutes was made by Rollie Bailey, seconded by Earl Gossett and the passed by the members.

Treasurer's Report: Treasurer Ken Hughes gave the report. The starting balance as of March 15th was \$3163.11. Membership dues received were \$72.00. Contributions to the utility fund \$44.00. Donations were received as follows: Jack Maki Memorial Fund, \$50.00; general fund, \$1.00; Cheryl Volpe fund \$40.00; from Ohio 99s, \$100. Income from scrap metal sales was \$9.10. Utilities paid: \$115.02. Other expenses: \$100.00 for the Jack Maki Memorial Brick at Mott's Military Museum and \$9.80 for postage. Included in the balance, were \$325.87 in the Utility Fund, \$308.88 in the Young Eagles Fund and \$940.00 in the Jack Maki Memorial Fund and \$100 in Beacon/Marker Restoration fund. A motion to accept the report was made by Larry Arnold, seconded by Bob Marriott and Mike Harris and approved by the members present.

Fly Out Report: Rollie reported on the recent fly-out to Circleville-Pickaway County (CYO). Six planes departed Newark (VTA) at 0830 and flew to CYO for breakfast at the Goodwin Family Restaurant; Cessna 152 - Dick Perdue; Cessna 182 - Charlie and Cathy Rhoads and Jesse Ours; Mini Mooney - Sam Huff; Aeronca Champ - Mark Giles; Twin Comanche - Carl Braddock, Larry Arnold, Arnie Hartman; Cherokee 235 - Rollie Bailey, Ken Hughes, Mark Van Winkle.

Correction to March, 2016 EAA402 Meeting Minutes

In the section of the minutes where Rollie is telling his story about Roy McGrew it was reported that Rollie said Roy became incapacitated and could not fly anymore. This was in error and was probably my error in interpretation of what Rollie was saying. Roy let me know after publication of the April newsletter and minutes that he did not become incapacitated and did not have a heart attack but quit flying simply because his plane was in need of some instrument replacements and engine overhaul was coming due. Also, the cost of hangar rental, insurance and upkeep were just becoming too much. He just got tired of it all and quit flying.

and the precise field location as there are several grass strips in the area. There is a restaurant within easy walking distance of the field.

Other future fly-outs are planned for Saturday, May 16th, to Big Sandy, an airport on top a mountain in Northeastern Kentucky; June 5th to Mt. Victory, Elliott's Landing (O74) and June 18th to Cincinnati, Lunken Field (LUK).

Airport Board Report by Bill Corban:

Bids have been received for repaving the ramps. Bids were in the \$49,000 range with one much higher.

- Purchase of land on the North side of the runway is coming along. FAA will pay
- about 90% of the purchase when it takes place.
- The board is studying the purchase of a new bat-wing mower.
- The 20 year lease of our clubhouse from the airport board is complete, agreements have been signed and the lease has been paid.
- Rollie reported that George Fackler has offered to plant a tree at a place of our choosing in the vicinity of the clubhouse in memory of Jack Maki.

Old Business

Jack Maki memorials - Bill pointed out the pictures of Jack that he put up in the clubhouse next to the back door. Bill's work was thankfully acknowledged. - Charlie Moore reported that the Mott's Military Museum was happy to receive our \$100 and reserve a memorial brick in the museum's memorial garden for Jack. The dedication will be August 6, 2016 at 10:00am. The engraving on the brick will read "Lt. J.G. Jack Maki, DFC USS Essex 1942-1946 USN." - Gary Kurtz asked if there was anything we could do at the Works in memorial to Jack. It was suggested that perhaps the Veterans Park at 6th and Main in Newark would be more appropriate. Nothing was decided.

Young Eagles President Volpe reminded the group of the Young Eagles Rally coming up June 11th and asked for pilots to let him know of their availability. The secretary then reminded the group of the need to take the EAA's Youth Protection Course and get the certification.

Young Eagles Credits Tom reported that he has communicated with the Civil Air Patrol about using our credits to send a cadet to the Air Academy at EAA Headquarters. CAP responded that they would not be able to do it this year but are very interested in doing so next year. This leaves the credits available for us to use for our own purposes which will be to purchase items to enhance our professional image at the YE events. A motion was made by Gary Kurtz and was seconded by Wendy Hollinger to authorize the committee to make the purchase decision up to the limits of our credits of \$720.00. The motion carried.

New Business

The secretary suggested that we identify the airport side of the clubhouse with our chapter number. This has been suggested before but was put off

until after an awning is put up on the back of the building. Tom suggested the chapter number be painted on the inside of the window glass. Bill Corban suggested that a vinyl sign would be easier and cheaper and Bill offered to get the sign made if someone would supply the logo and tom offered to do this. A motion was made by Tom McFadden and seconded by Gary Kurtz to spend up to \$250 to get such a vinyl sign made. A vote was taken and the motion carried.

The Works - Wendy Hollinger brought us up to date on the static display of the Cessna Dale Ratcliff is building for the Jerrie Mock display at the Works. Wendy asked for help to haul the plane assemblies from Hales landing, where Dale is working on them, to Columbus on or about May 21st, and on May 28th from Columbus to Newark and install the plane at the Works. Anyone available to help can contact Wendy. The opening date for the display at the Works is planned for June 18th and Wendy encouraged EAA 402 to attend and participate.

Wendy also said that she is in need of several airplanes/pilots to take some Works people from Newark to Hales Landing, WV (2WV3) to look at the progress Dale is making on 38Charlie. This should be done before the end of this month.

Projects

- Bob Marriott announced that he and Harold Ware flew Bob's Ercoup today! They flew to Zanesville and landed and then back to Newark and flew around North Newark for a while. Bob said the plane flew well.
- Barney Kemter showed off the \$250 Flight Box ADS-B receiver he used with his Android- based phone he used on a recent flight to Texas.
- 50/50 Drawing: The drawing was won by Tm Thompson who donated his \$16 winnings to the utility fund.

A motion to adjourn was made by Rollie Bailey and seconded by Gary Kurtz. The motion passed. The meeting was adjourned at approximately 2015.
