About 80% were first timers!

We were swamped from the beginning. There was a long line waiting to register at 0715 and we weren't ready to register until after 0800. Later we took the unusual step of limiting registration to about 150. Later still we limited the number of flights to 130. We are taking steps to contact and fly as many of the un-flown as possible during the summer. Thanks to all the pilots, ground volunteers, cooks and CAP who made this event successful.

The photo above is Barney Kemter's grandson James DeForest Kemter. EAA 402 sponsored JD for the EAA Air Academy, and he's pursuing his pilot training now. Barney wrote, "JD did 3 landings. These were his first. First break in the weather in 6 days here in San Antonio, between fronts and thunderstorms."
