## Local Homebuilder to be Honored at EAA AirVenture Oshkosh 2010

*Dick Knapinski, EAA Media and Public Relations*

James Baldwin of Pickerington, Ohio, will receive the Experimental Aircraft Association's 2010 Tony Bingelis Award recognizing contributions to EAA and the aviation community.

Baldwin (EAA #110713) has tirelessly dedicated more than 60 years to the aviation community, encouraging builders and their projects as well as promoting aviation safety. Baldwin is a frequent contributor to EAA Chapter 443's monthly newsletter. Since becoming an EAA Technical Counselor in 1993, Baldwin has conducted sheet metal construction workshops at the Mideast Regional Fly-In, been a flight line safety

volunteer at AirVenture, and has advised many builders in Ohio on construction, design, and weight and balance.

A retired Aeronautical Engineer for North America Rockwell, Baldwin has performed several weight and balance programs over the years and has been a major participant in the EAA Young Eagles, providing 332 youths with their first flight and helping send 18 youths to the Air Academy.

Baldwin, who received his private pilot certificate the day before he reported to the U.S. Air Force in 1948, built the second

## June Meeting at Fackler's Farm Was a Hit!

George Fackler hosted EAA Chapter 402 members for the June meeting at his recreational farm in Marne. It was a beautiful evening and there was a great turnout of members and their families. We gathered in a spacious picnic shelter beside a large pond.

George and his family prepared the meat, and members brought a smorgasbord of side dishes and desserts. A few members fished and a handful took a gator ride to the top of the hill. Hopefully this was the first *annual* special summer picnic meeting! **Thanks George!**

*Photos by Carl Oblinger*

## Heart of Ohio Fly-Outs

Fly-outs are the 1st Sunday and 3rd Saturday of each month, and usually depart from Newark/Heath Airport (VTA) at 8:00 am unless otherwise indicated below. Contact Rollie Bailey, Fly-Out coordinator, for more information (740-366-3404).

- July 17 (third Saturday) we were to depart VTA @ 8:00 a.m. for Put-n-Bay (3W2) for fun, eats and sights. Although it was beautiful morning, the radar promised storms in the afternoon, so we didn't go.
- First Sunday fly-out is moved to the second Sunday due to Oshkosh. August 8 (Second Sunday) depart VTA @ 8:00 a.m. for Griffing Sandusky (SKY) Pancake breakfast fly-in.
- August 21 (third Saturday) will be "Bring an old Buddy" fly-out! We'll depart VTA @ 8:00 a.m. for Delaware's (DLZ) breakfast and vintage airplane fly-in.

Guests are welcome and we always have empty seats. To join us or suggest destinations, give Rollie or a member a call!

~~~~~  
***Come Fly With Chapter 402!***

## Dates of Note

Airventure 2010,  
Oshkosh, WI ..... July 26–Aug 1  
EAA 402 / VTA  
Young Eagles / Fly-in ..... Aug 28

## Fly-Outs *by Rollie Bailey*

### June 19 Fly-Out—Salem

We had 4 aircraft and 8 people depart Newark for another great Breakfast in Salem (ask Charlie). Charlie Rhoads and Jess Ours in the Cessna 182, Michael Harris and Kelly Alt in a Cessna 172, Rollie Bailey and Carl Oblinger in the "235", Tom Mc Fadden and his grandson Andrew in Cessna 172.

*We all had a good time on both flights, and we had several open seats. Whether you're a pilot, mechanic, or passenger, come on out and join us!*

### June 12th Young Eagles Day *by Michael Harris*

A cloudy day with a chance of thunderstorms minimized the attendance but not the enthusiasm of the 8 pilots who flew 43 children on Saturday June 12. Registration and flights ended early due to the approaching weather, but that gave a little extra time for the lunch time cookout and hangar talk. Civil Air Patrol cadets helped with set up and cleanup at the end. Our pilots and volunteers have as much fun as the Young Eagles receiving their flights!

### July 3 Fly-Out—Mansfield

Was super weather! Classic cars, planes and a good breakfast. Cherokee "235": Rollie, Bob Bennet, Carl Oblinger; Cessna 182: Charlie and Cathy Rhoads, and guest; Cessna 172: Michael and Cheryl Harris; Cessna 172: Tom McFadden (of Galion Air); Cessna 152: Dick Purdue and his wife.

## Homebuilder *cont. from page 1*

RV6 kit to ever fly in 1989 then built an RV10 in 2007. Additionally, Baldwin has owned and maintained several aircraft, including a BC12D Taylorcraft, Cessna 140, Cessna 120 and Cessna 170, and has invested time in rebuilding and maintaining aircraft (most notably a Mitchell B25 and Douglas B26) of The Historical Aircraft Squadron in Lancaster, Ohio.

The Bingelis Award will be given to Baldwin during the EAA AirVenture Homebuilders' Dinner on Thursday, July 29, during the annual EAA AirVenture fly-in at Oshkosh. Tickets for the dinner will be available at Homebuilders' Headquarters on the EAA grounds.

The Tony Bingelis Award was created in 2002 to recognize a member from the aviation community who has contributed to homebuilt projects and safety promotion while maintaining EAA values. The award honors the late Tony Bingelis, who was noted as a homebuilding authority and EAA Sport Aviation columnist.

### Minutes of June 15, 2010 EAA 402 Meeting

This meeting was held at George Fackler's beautiful Family Farm. George provided burgers, dogs and pork, and drinks, other members brought dishes and desserts to share. Kim Fackler and Malcolm McFadden enjoyed fishing while catching nothing.

Gary Kurtz tossed in his line and immediately caught a small perch!

The meeting was called to order by the president at 7:00 pm. Michael welcomed all to the meeting especially the spouses, and thanked George for hosting the meeting. There were twenty members and fourteen visitors present. Attending were: Gary Kurtz and wife Molly; Harold Ware; Larry Arnold; Adam Krajacic; Carl Oblinger; Wendy Hollinger and father Terry; Dale Ratcliff and son Jackson; Bernie Volpe; Glenn Borders and daughter Delana Wells; Darin Stanson (Angel Flight) and Tina Monk; Jesse Ours and wife Pauline; Ralph Brandon and wife Carolyn; Bill Corban and wife Earlene; Bob Marriott and wife Purita; Robert Bennett; Rollie Bailey; Will and Susan Preseley; Michael Harris and wife Cheryl; Andrew Snedden; George Fackler, wife Kim and daughter Madelyn; Tom McFadden, wife Hanne and grandson Malcolm.

#### Reports

**Secretary:** Tom asked for any corrections or additions to the May minutes as published in the June newsletter. A motion to accept the minutes was made by Gary Kurtz, seconded Bob Marriott and passed by the members.

**Treasurer:** Treasurer Larry Arnold gave his report. Starting balance was \$2,520.58. Income was \$387 including \$25 in donations to the Utility Fund. Expenses paid were \$334.49. Ending balance was \$2573.09. Utility Reserves \$210.67; Young Eagles reserves \$378.43. Motion to accept the report was made by Rollie Bailey, seconded by Gary Kurtz and passed by the members.

#### Michael Harris:

- reported on the success of the June 12th Young Eagles Rally: 43 kids flown by 8 pilots in about 3 hours.
- reported receiving a thank-you letter from the FBO in regard to the camera given the FBO by the chapter.
- reminded all to be prepared to help with the fly-in, August 28th.
- reported we will have a guest speaker at the July 20th meeting. Jeff Schans, an expert, will speak on Lycoming engines.
- reported that he met with Jan Wilkins, Director of the Davis-Shai House, at her request, to see if our group would be interested in a joint venture and if we could arrange a fly-over as part of their grand opening in September.

Bill Corban reported the back flow test on the clubhouse water supply was done and Bill submitted the request for reimbursement of \$55.00.

## Letter to the Chapter

Hi guys!

I came across the newsletter for the Heart of Ohio Chapter 402. That took me back several years. Bob Harvey was my flight instructor, in fact I now own his last aeroplane that he owned before he switched to ultralights. While reading the newsletter, I remembered several names mentioned. So some of the olds are still around. That is great.

During the period when I was learning to fly, I was married to Mark Sasko. He was the sole reason I started flying, Mark is now in southern CA and I live in Florida. I own two airplanes and life has always centered around flying.

I will have to hunt up more pictures for the nostalgia buffs in your group. Recently I caught up with Don Harvey who was one of my flying buddies back in the 80's.

*Marlene Dusz*  
Merritt Island, FL

PS Bob always said I was his favorite student.

### **Bill Corban, for the Airport Board:**

- commented that the compass rose was never re-painted after the ramp was repaved and questioned if we would like to take that on also.
- asked if we would consider repainting/replacing the sign at the FBO entrance and Heath road. Wendy will look into possible graphics.
- reported the Airport Board would be happy to have the chapter members do the painting we talked about at the May meeting.
  - The board will provide the paint.
  - The members requested that Dan Glaze be appointed or volunteer to oversee the painting project.

Andrew Snedden reported that he and several others will put on a mini “air-show” at Geller Park with their ultralights, gyroplanes, powered parachutes before the fireworks on July 2nd. (Note: Although these pilots are EAA members this will not be a chapter-sponsored event. Sec.)

### **Announcements:**

- Rollie reported that the Fly-Out June 19th will be to Salem Airpark (38D) for breakfast.
- Larry Arnold announced that the group he is going to Oshkosh with this year will stay at the dormitory and they have one bed available.
- Darrin Stanson offered more promotion about Angel Flight.
- George thanked all for coming to his “hideaway” and George received a great round of applause for his hospitality.

Motion to adjourn was made by Rollie, seconded by Ed Newbold and passed by the members. The meeting was adjourned at approximately 8:00PM.

*Minutes respectively submitted by Secretary Tom McFadden*
