Fly-Out to Mt Victory October 23rd

The weather was superb Saturday morning, October 23rd, so I threw together a breakfast fly-out quickly to a tail dragger field.

super breakfast and the foliage was still very good.

Minutes of October 19, 2010 EAA 402 Meeting

The meeting, at the clubhouse, was called to order by President Michael Harris at 7:00pm. There were twenty seven members present. The meeting was opened with the Pledge of Allegiance to the Flag. Michael welcomed Chuck and Katie Snook back after Chuck's surgery. Michael passed out some Ford Partner Program promotional literature concerning discounts for EAA members.

Secretary: Minutes of the September meeting were accepted on motion by Rollie Bailey, seconded by Dan Glaze and vote of the members.

Treasurer: Treasurer Larry Arnold gave his report. Starting balance was \$2,458.79. Income was \$77.00. Expenses paid were \$150.01. Ending balance was \$2308.78. Utility Reserves \$141.58; Young Eagles reserves \$0.00. Motion to accept the report was made by Roger Digel-Barrett, seconded by Bob Marriott and passed by the members.

Michael's Reminders.... Dinner Details, Door Prizes, & Elections

Hope everyone had a chance to enjoy the fall colors. The days have grown short, the holidays approach, and freezing rain replaces thunderstorms as the weather to avoid.

The Chapter voted to hold our December meeting at the Buckingham House. (Details on Page 1.) Seating may begin at 6:00 and dinner at 6:15. The guest speaker, Dean Walther, is an air traffic controller at CMH and a volunteer controller at Oshkosh during AirVenture who should have some pretty interesting information to share. We'll also have several guests from the Civil Air Patrol.

We will not have a gift exchange this year. However, Tom loves to play Santa and so we would like to give out door prizes during the evening. If you could donate a door prize this would be appreciated but is not required.

The November meeting concludes officer nominations and we'll have the election. If you are interested in serving as an officer or know someone who is, please contact a current officer and be present to be nominated.

Michael Harris

Newsletter: Wendy Hollinger reported of cleaning up the email and mailing list. Wendy mentioned that Gary Kurtz is doing a fine job keeping the website up to date.

Membership: Dale Ratcliff continues to promote membership and says he think people are holding back on flying because of the economy.

Airport board: Bill Corban reported on the airport board meeting. MPW now has a second jet on the field. The FAA is in the preliminary stage of having a survey done for a WAAS GPS approach. The board is still studying the rebuilding of the runway. It will probably be done next year. Bill also pointed out a new fence has been put up along the South side of the field and a new personnel gate has been installed next to the clubhouse. This gate has a combination lock on it and the combination is posted on bulletin board in the clubhouse.

Old Business:

December Meeting / Dinner—Michael reviewed the selection of the location for the annual dinner/meeting. Tom tried to schedule the Davis-Shai house but it is booked for our date and other days around it. Michael has scheduled the Buckingham House and Doug's Far Side Catering. The facility will cost \$200 and the meals will cost about \$15 apiece. Larry Arnold made a motion that the chapter pay for the facility so a portion of that cost would not have to be added to the meal price. Bernie Volpe seconded the motion and, after discussion, it was passed by the members. The treasurer suggested those planning to attend the dinner pay \$15 in advance for each meal. Rollie Bailey made a motion to that effect. Rollie's motion was seconded by Dan Glaze and passed by the members. Michael reported that the dinner will be a buffet and Doug will only serve one kind of meat and each person should take reasonable food servings. We will need to choose which meat to have him prepare. Michael proposed that the chapter pay for dinners for four CAP members and Larry made a motion to that effect. Rollie seconded the motion and, after discussion, the motion passed. Roger Digel-Barrett volunteered to pay for two additional CAP guests. Therefore Michael will invite six members of the CAP to be our guests. Dinner will be at 6:00pm.

Larry Arnold has scheduled a guest speaker for the dinner. He is Dean Walther who is an air traffic controller at CMH. Larry read Dean's credentials to the group. He is a 4100 hour pilot with commercial and multi-engine ratings who flew King Air's out of Akron-Canton. Dean has also served as a volunteer controller at Oshkosh during AirVenture on two occasions.

New Business:

Dues: The treasurer reminded all that dues will be due in December.

Utility Fund: The vice president passed the hat to benefit the utility fund and \$200 was collected.
