Your Involvement Makes a Difference

Great Help=Great YE Day! Upcoming Events!

I just want to thank ALL those in the air and on the ground that made our Young Eagles day a very special one for 72 young kids/ adults. We had a nice group of pilots which made the load much easier, and the ground people did a FABULOUS JOB! The weather was about as good as I can remember for many years.

Thank you all.

Vice Pres.
Rollie Bailey

The August 17th Fly-in is the next big event for the 402, and details are in the Minutes and below. But other exciting events need added to your calendar. Plan to attend the September 14th Jerrie Mock sculpture unveiling at the Works. Our chapter will provide shuttle service from VTA for those guests who fly in. Our fall Young Eagles day is September 21. Other chapters and airports have lots going on too - check the Dates of Note and our website for updates.

Fly-Out Report

Fly-out to Grimes: June 15th

We had a good flyout to Urbana/Grimes (I74). Four aircraft and ten flyers: Charlie Rhodes, Cathy and Bob Marriott in Charlie's new (new to him) Skylane (N85938); Gaye and Dick Perdue in the Cessna 152 (N48156); Casey Granger, Ken Hughes and Carl Oblinger in the Diamond DA40 (N367DS); Scott Thompson and son, Luke, in Scott's Cessna 140 (N72681). Scott and Luke were guests from Stoutsville, OH, who saw our flyout schedule on the internet and decided to join us! The Cessna 140, Cessna 152 and the Diamond DA40 flew in formation to Grimes. We all enjoyed breakfast at the cafe. Charlie, Cathy and Bob went to the museum while the rest of us headed for home.

Jack Maki reported on what he called a "mini flyout" on the same day, when four of the tail draggers, including Jack and Fred Maki, Sam Huff, Mark Giles and one other flew to Delaware (DLZ) for their pancake breakfast.

Grimes Fly-IN Breakfast: June 22nd

Urbana Grimes' Champaign County Aircraft Association pancake breakfast was very well attended on June 22nd. The breakfast was held in the B-17 hanger and was attended by Newarkites Tom Thompson, David Cooley, Jim Ritchey, and Charlie Rhoads in his Cessna Skylane.

The flight was a treat to reward the crew for volunteering at the East End food pantry every week. Helping out makes a difference!!

Minutes _____ *continued from page 2*

Secretary's Report: On motion by Roger Digel-Barrett and second by Larry Arnold the minutes of the May meeting were accepted as printed in the June newsletter.

Treasurer's Report: Treasurer Larry Arnold gave the financial report. Starting balance was \$1,581.58. Additional dues payments received: \$24.00. Expenses paid: \$168.49. Donations to the Utility Fund: \$175.00. Ending balance: \$1,760.09. Utility reserves: 291.99. Young Eagles Reserves: \$-74.38. A motion to accept the treasurer's report was made by Ralph Brandon, seconded by Wendy Hollinger and passed by the members present.

Fly-Out Report: Dick Perdue reported on the Flyout Saturday, June 15, 2013. We had a good flyout to Urbana/Grimes (I74). Four aircraft and ten flyers. Charlie Rhodes, Cathy and Bob Marriott in Charlie's new (new to him) Skylane (N85938). Gaye and Dick Perdue in the Cessna 152 (N48156). Casey Granger, Ken Hughes and Carl Oblinger in the Diamond DA40 (N367DS). Scott Thompson and son, Luke, in Scott's Cessna 140 (N72681). Scott and Luke live in Stoutsville, OH, near Circleville. They saw our flyout schedule on the internet and decided to join us at Newark. The Cessna 140, Cessna 152 and the Diamond DA40 flew in formation to Grimes. We all enjoyed breakfast at the cafe. Charlie, Cathy and Bob went to the museum while the rest of us headed for home. Apologies to Ralph Brandon. We couldn't come up with a seat for Ralph. Jack Maki reported on what he called a "mini flyout" on the same day, June 15th, when four of the tail draggers, including Jack and Fred Maki, Sam Huff, Mark Giles and one other flew to Delaware (DLZ) for their pancake breakfast.

Newsletter Editor: Wendy Hollinger reported on the status of planning for the Jerrie Mock statue unveiling. Wendy has arranged with the postmaster for a special postage stamp cancellation for the Jerrie Mock memorial.

Airport Board: Bill Corban reported that Larry Parr has resigned from the board. Harold Ware asked at the board meeting if Bill would check with 402 and see if we would be interested in another "airport beautification" project. The centerlines of the hangar taxiways need repainting. The subject was discussed and it was decided that the chapter would be interested in doing the painting but prefers to wait until late September or early October. Larry Arnold will lead the effort. Dick Perdue asked Bill if he would ask the board about getting some tie-downs in the ramp area and Bill said he would at the next board meeting.

Old Business:

- Larry informed the members that he has spoken with Dan Glaze about the awning for the back of the building and Dan said he is taking down an awning for someone and may be able to get it for our use.
- Tom informed the members that the pancake grill we voted to purchase at the last meeting was not the one that he thought was for sale for \$300 therefore it was not purchased. Tom passed around pictures of the one that was offered for \$300 and the members decided not to purchase it. A motion was made by Bill Corban and seconded by Larry Arnold to drop the idea of a pancake grill purchase.

Aviation Day at DLZ

Bob Boyd was contacted by friends from EAA Chapter 27 at DLZ about their Aviation Day, September 7. They are inviting members to display projects or aircraft, and have a number of interesting activities planned. To learn more, visit www.eaadlz.org

Minutes _____ continued from page 3

- Referring to picture-taking at the Young Eagles Rally on June 8th, Carl Oblinger said he couldn't keep up with the pace that we were loading planes and missed some shots. Some discussion followed and it was decided that the best way to resolve this issue would be to have an additional photographer on hand.
- Fly-In:
 - Bob said he has been lining up ground volunteers for the Fly-In which is August 17th this year.
 - Bob also reported that Dick Perdue has donated \$100 for two \$50 prizes for pilots flying in this year.
 - Bob is arranging for radios from his source again this year.
 - Charlie is making arrangements with Jim Matheny for the Classic Cars to display.
 - Jack will get the owners of the tail draggers and vintage planes lined up to display.
 - Tom has arranged with a caterer named Steve Tufo to cater the fly-in and Larry has called off any arrangement with the Wounded Goose caterer.
